

## Rally Sweden 2024

The second rally in the 2024 WRC calendar will take place from 15 - 18 February. After a successful premiere in 2022 at the new venue in Umeå, we can look forward to another great winter rally in the WRC calendar in 2024. In 2023 we were visiting 10 special stages and the Shakedown at Rally Sweden. Of course, we hope to join the same number of stages in 2024.

The Rallytravels transfer starts at the Airport Umeå.
